Dear customers,

We would like to inform you that due to severe weather conditions that affect major ports, such as Piraeus (PCT), Norfolk (TNI) and Savannah (TGC), we are forced to make schedule adjustments in the ZIM Container Atlantic service (ZCA). For an updated schedule please see [Point to Point | ZIM](#).

ZIM is making every effort to adhere to the published schedules and provide you with the highest quality and most professional service possible, despite the challenges posed by the unusual weather conditions.

We apologize for any inconvenience and appreciate your patience and understanding in this matter.

For additional information, please contact your Account Owner or local ZIM Customer Service team.

Sincerely,

ZIM Integrated Shipping
